FOR IMMEDIATE RELEASE

Lehi, UT— Young Living Essential Oils, a Utah-based company specializing in therapeutic-grade essential oils and all-natural health products, has been mentioned in the December/January 2008 issue of Domino magazine. In this current issue, Joshua Onysko, founder and alchemist of Pangea Organics body-care, mentions Young Living's geranium essential oil as "*one of the top ecocentric ways to look and feel fabulous in 2008.*"

When used as a calming scrub, Onysko says, "*The best essential oil by far is geranium. The scent, sweet and pungent, goes right to the frontal lobe, relieving tension and anxiety. The oil also helps speed up the reproduction of skin cells—a few drops mixed into a cup of sea salt and jojoba oil is a rejuvenating body polish.*"
